## MR. HARRISON DECLINES.

HE IS NOT A CANDIDATE.—HIS LETTER  
EXPLAINS IT ALL.

INDIANAPOLIS, IND., Feb. 3.—Capt. John K. Gowdy, Chairman of the Republican State Central Committee, called on Gen. Harrison this evening by invitation, and the ex-President handed him the following self-explanatory letter:

INDIANAPOLIS, IND., Feb. 3, 1896.

Hon. John K. Gowdy:

"In view of the resolutions passed by the State Central Committee at its recent meeting, and of the fact that delegates to the National Republican Convention are soon to be chosen in this State, I have considered that some statement from me as to my wishes and purposes should now be made to my Indiana friends.

"Hitherto I have declined to speak to the public upon this matter, but scores of friends with whom I have talked and many scores more to whom I have written, will recognize in this expression the substance of what I have said to them. To every one who has proposed to promote my nomination, I have said 'No.' There never has been an hour since I left the White House that I have felt a wish to return to it.

"My Indiana friends have been most devoted and faithful, and I am their grateful debtor. The republican party has twice in National Convention given its indorsement and that is enough. I think the voters of our party are now entitled to have a new name. For the sentiment, great or small, that has been manifested for my nomination, I am grateful, and of that wide respect and kindness—

"I cannot consent that my name be presented to or used in the St. Louis Convention, and must kindly ask my friends to accept this as a sincere and final expression upon the subject.

"BENJAMIN HARRISON."

### They Say

Tom Platt, the little, should bury himself.

He has killed more good men than he has made.

If talk would condemn a man he would do it.

He does not control his own vote and has not sense enough to distinguish sugar from salt.

Had Gleeson's campaign been left in his hands he would have been defeated.

He held on to all the money that was given to him to put out.

He now abuses Hanneo his best friend.

Hanneo saw the roll on him and abused Hanneo because he told it.

Some men think they know it all.

Let honest men do their duty and knaves take a back seat.

Let us have a colored judge in one of the courts.

Don't you cry when you are hurt.

Do you want a live paper?

The Bee is the people's paper.

Don't deny a friend when in need.

If you want to succeed go in the middle of the road.

Let us have a man on the bench who can discriminate between the testimony of a police officer and a negro.

Are we to have a colored detective of honor and integrity?

Brookenbaugh should be appointed on the force.

Tom Jones is a jolly good fellow.

J. Moses Rick is an all around practitioner.

What has become of the Union League?

What has become of the shoe company?

What has become of the people's money?

The latest success in medical jurisprudence is the Francis' Sanatorium.

Who will be the next Recorder of Deeds?

Truth crushed to the earth will surely rise again.

The "mocked" Congress is the latest fake.

Go and see the senators from "Tokoma."

It is a monkey show with a Kansas tail to it.

What an exodus we shall have soon.

Great Caesar, the dog's will fly.

Don't you never tell a lie when the truth will answer.

Washington Wood will make up his mind up to become a benedict when Spring time comes again.

Let us be on the safe side.

The Morton Club is a great institution.

There is to be a new club organized soon.

Negro pimps and their hunters should be kept out.

Don't you let your right hand know what your left hand does.

It is a dangerous thing to allow too many to know your secrets.

What will the year of '96 bring forth?

A new President is a certainty.

It looks like it will be Reed, of Maine.

Rev. Brooks had as much right to run as a delegate as any one else.

Why should a minister retire himself, if he is useful to the people.

Don't cut off your nose to spite your face.

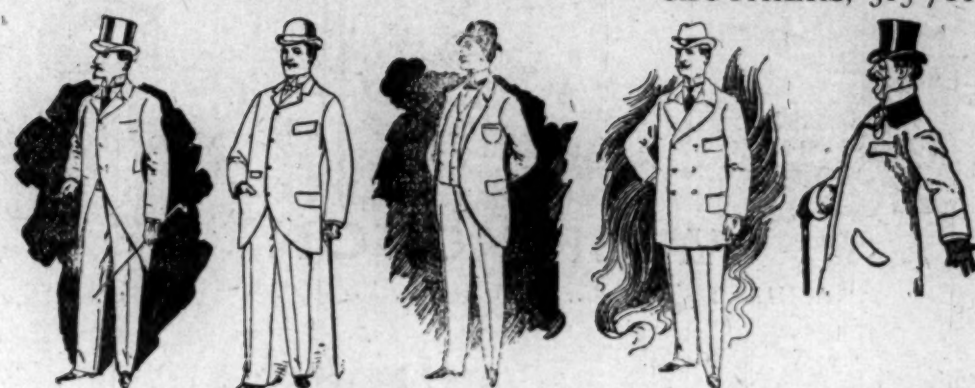

A good friend is a jewel, as well as a good wife.

The supreme court will hand down its decision in the Mississippi case shortly.

A honest man is bound to succeed.

A grinning man is a knave and a sneak.

Read The Bee and be happy.

Any of the above Styles.

### New Clothing Here Less than the others' Old!

Our Mr. Harry Parker has just returned from New York, where he secured an immense purchase of Men's New Stylish Suits, which go on sale to-day at lower prices than the other Clothiers are asking for their shelf-worn, antiquated garments.

You remember what an immense success we had with our \$6.25 sale this time last year. We shall eclipse it this month. Don't think of buying out-of-date shop-worn clothing so long as you can get the "cream" of the season's styles for less money.

Our immense lot of Men's Single and Double-Breasted Sack Suits in black and navy blue chevrons and fancy mixtures.

Also Fine Black Diagonal Out-a-way Coats and Vests, all which are made to sell for \$10, \$12 and \$15.

**Choice, \$6.25.**

Big lot of Men's Heavy Winter Overcoats, navy blue and black. Made to sell for \$10, \$12 and \$15.

**Choice, \$7.50.**

Men's Extra-fine Heavy Melton and Kersey Cloth Overcoats, velvet collar, the finest introduced this season, but slightly broken in sizes. Made up to sell for \$17.50, \$20, \$25 and \$30.

**Choice, \$12.**

**Odd Trousers for \$2.25.**

Immense assortment of Men's Odd Trousers, quite a number of neat stripes, but the majority of them are odd pairs left from the past season's Suits which sold from \$10 to \$20.

**Choice, \$2.25.**

Needless to ask that you investigate and make a comparison before buying outside of our establishment. No matter what others may lead you to expect from the newspapers, we warn you to be careful. We obligate ourselves to sell you better Clothing for less money than you will pay at any sale in Washington.

## THE RECENT CONTEST.

In the recent contest for delegates to the St. Louis Convention, the opinion among the people is that the election was a farce.

The Bee is of the opinion that the election was no more of a farce than those that are held in the States. Strange that people can see imperfection in our election in this city and can close their eyes at what is going on in the States.

Of course the friends of Mr. Bailey are chagrined at his defeat. What more could he expect?

The conflicting forces can see the difference between personal popularity and the use of money.

The abuse that Col. Carson received from his opponents made him strong, especially when his old time political foe, whose by-word is, "I would not trust him behind a sheep's head," has been the central and head figure in opposing him, and which had no more effect than all of his past ineffectives.

This negro is not only a nuisance but a disgrace to the republican party, no one is honest but himself, and yet he never lets a dollar slip through his fingers, if he can get hold of it, no matter how he gets it and still this same negro would not trust the Colonel behind a "sheep's head."

## THE COLORED ATTORNEY.

The Afro American members of the bar showed their good sense and judgement when they called upon Judge Kimball on Tuesday afternoon to ascertain whether he was guilty of the charge made against him by one Mrs. Rosetta E. Lawson, a young lady who has been seeking notoriety for some time.

Of course the lady magnified her importance when she asserted that she had a young girl released from the Reform School without the interference of "shyster lawyers" as she so characterized them.

It is to be regretted that all the attacks made against the Afro-American attorneys come from after-office practitioners or from old women who are continually parading themselves before the public seeking newspaper notoriety.

The Afro-American attorneys who practice before the Police and other courts in this city are just as capable of conducting a case and more so than many white members of the bar. The Bee is willing to put Mr. J. Moses Rick beside the husband of Mrs. Lawson who is an A. M. and L. L. B. and if Mr. Rick fails to starve him to death in three days The Bee will forfeit fifty dollars.

There are negroes in the departments who would starve to death if they were forced out on their own resources.

Take the majority of negroes in the departments who have attacked the colored practitioner at the bar, and it will be seen that they are men of legal, medical or some other kind of attainments, but they have not sand enough to resign and practice their professions, but will stand upon the chimney top and cry at those who are doing well.

Take such men as Hewlett, Martin, Ricks, Payton, Jones, Bundy, Smith, Douglass, Davis, Terrell, Warner, Holland, J. H. Smith, Moss and others, all members of the bar and doing well.

Judge Kimball denied that he said it and it is the opinion of The Bee that he did not say it, Mrs.

Lawson to the contrary notwithstanding.

## THE COLOR LINE.

The Washington Post, a daily paper published in this city, in an editorial, on last Sunday morning took occasion to give vent to its pent up indignation and its long hidden and venomous prejudice against the Afro-American. The Post is a hide-bound poisonous sheet which has no love or respect for Afro-Americans and the sooner the people in this community repudiate such a rattle-snake paper by prohibiting their boys from selling it on the streets and the people discontinuing patronizing it, there is no doubt but that a very good lesson will be taught thereby.

The Post very adroitly shows its prejudice by calling the attention of its readers to the presence of two gentlemanly Afro-Americans who occupied seats in the orchestra, at a popular theatre in this city, and whose presence seemed to be very distasteful to a fastidious auditor.

What crime has the negro committed against the dignity of this republic? What offense is charged against him?

Is he not a law abiding citizen, and is it not true that he possesses all the ingredients that go to make up true manhood? The inconsistency of the Post's argument is so glaring that it looks ridiculous in the eyes of intelligent people.

The Afro-American is permitted to do all the cooking for white people; he is permitted to feed and wait on the sick of the more fortunate; our women permitted this proud caucasian to suck from their breasts and whose milk gave nourishment and vigor to him as it does the caucasian babes of to-day.

Our girls-to-day nurse his children and yet the Post wants to infer that it is a crime for the true Afro-American lady or gentleman to come in public or private social contact with the white people.

Let there be a war to-day between the United States and some foreign government, The Bee is of the opinion that this negro-hating sheet that only exists by abusing the negro, would be the first to declare the loyalty and patriotism of the negro to the republic.

What has become of the Afro-Americans manhood and womanhood? Shall this libelous editorial against the race go unnoticed?

Let every minister who can speak appeal to his congregation to repudiate such a journal.

The pulpit is the medium through which the people can be reached. The colored man does not ask for social recognition. All he asks and all he expects is fair and honest treatment.

There is no prejudice by the true white gentleman and lady against the negro. The true white gentleman or lady will treat the true Afro-American with respect and consideration.

There is no nobler woman in this country than Mrs. Logan and if reports are true, Mrs. Grover Cleveland, one of the most polished American ladies, neither are not afraid to come in contact with Afro-Americans.

This was demonstrated under the first administration of Mr. Cleveland when he invited the late Frederick Douglass, then Recorder of Deeds and Hon. J. C. Matthews of Albany, who succeeded Mr. Douglass as Recorder of Deeds to receptions at the White House.

Mr. Matthews was accompanied by his sister, now Rev. Mrs. Waldron of Florida.

The reason why no negro has been invited to the White House receptions, since Mr. and Mrs. Cleveland have not found a decent negro democrat to honor with an invitation.

"Render unto Caesar the things that are Caesar's, and unto God the things that are God's."

## THE KENTUCKY LEGISLATURE.

Will the aristocratic, autocratic and fastidious anti-suffragists of this city inform The Bee what they think of the Kentucky legislature

breaking up in a row. Have the colored and white republicans of this city ever presented such a spectacle?

## TO INCREASE THE FORCE.

A bill has been recommended to Congress by the Commissioners to increase the police force of this city.

The Commissioners could not have done a better thing as the police force of this city is not half large enough.

Now, since we are to have an increase of Guardians of Peace, The Bee respectfully recommends to the Commissioners the importance of appointing another colored detective.

What the colored people want is at least two more colored detectives. Messrs. Brokenbaugh and Crawford would fill the bill, and there is no reason that can be advanced why the detective force should not be increased by the appointment of two more colored men.

The Chicago detective force has more colored detectives than we have regular officers by one hundred.

We want negro detectives appointed who will be an honor to the force and men whose reputations are not blackened by any past offenses. We want men on the force who will not manufacture testimony to convict innocent citizens and who will not be willing and ready to swear to a lie to make a temporary police record.

Have we such men in this city?

The Bee is of the opinion that the men named above will respect their position if they are appointed to it.

It is hoped that Major Moore will give them a chance.

## The Bee takes the lead.

The Bee is creditably informed that Mr. Robert H. Key carried South Washington but he was counted out.

H. N. J. Milton Turner is no doubt the most active negro in this country to-day. He earns more money and receives larger fees than any negro attorney in the United States. He is one negro who lives by his wits.

Judges Scott and Mills have been reappointed by Judge Cole to preside over the Police Court during the absence of Judges Miller and Kimball when they take their summer vacation.

Both Judges Mills and Scott are very popular among the members of the bar. Judge Scott who is always kind and considerate, yet positive and Judge Mills who is always dignified and reserved.

The Kentucky Legislature is an example for other States to follow.

The people of Washington get very much disgusted if there is a little enthusiasm among the republicans.

It is very strange that the Post should become so disgusted with republican meetings.

The local papers were very much surprised because there were not any fights on election day.

Senator Blackburn, of Kentucky, is a very popular man and while he is a democrat he has never been a inimical to the negro.

The Bee is the leading Afro-American Journal in this country.

Look out for our St. Louis, Mo., and our special republican convention souvenir number.

It will surpass all efforts in negro journalism.

The Jack of Spades alias Tom Platt, the little, ought to give himself a rest. If there was ever a nuisance in republican politics in the District, it is this man who is a drawback to any man he ties on to.

Flora Batson, Metropolitan Church March 4th. See small bills for further particulars.

## "AFTER THE BALL IS OVER."

## ECHOES FROM THE RECENT ELECTION.

The recent primary election held in this city was but a fleeting vision, a gentle and pacific reminder of the good old days of yore, when the candidate and his omnipresent lieutenants and henchmen, were the controlling forces in the political drama, when battered heads, that in many cases had been previously swelled by continued visits to a convenient hostelry, broken noses, discolored optics were seen in rich and variegated profusion on the next day.

They furnished the denouement, they were the aftermath, the natural sequence to the turbulent scenes enacted the day before.

Happily, there was in the recent election an extremely gratifying paucity of beligerent citizens, but I am not so optimistic as to believe that 25 years has wrought such a marked change in the politician for the better, but am forced to the conclusion that the "sinews of war" was not in evidence only in certain quarters, and they were astute enough to "hold out" and the cannaille, the maddening crowd, were only enabled to refresh themselves at infrequent intervals, certainly not often enough to get them to the proper pitch of belligerency.

Whatever the cause of the absence of Donnybrook Fair tactics that was such an unfortunate feature of the elections of years ago, we have just reason to congratulate ourselves that everything passed off without a semblance of trouble.

## THE RESULT.

While the election was conducted without any of the safeguards that usually surround the ballot box and repeating was indulged in to a great extent the consensus of opinion seems to be that the delegates named were the choice of the people, that is, the people who participated in the election. The men who were selected, are relics of the fighting period of our history mentioned above, men who are the incarnation, the embodiment of that epoch in our city history when to whomer-up for your candidate was deemed a good and sufficient casus belli by your opponent.

Twenty five years have wrought many changes in our city, and in our citizens. It has seen advancing all along the line, but we have with remarkable age and commendable persistency stuck to our old political love.

This shows that while we are forced to accept the new dispensation, forced to bend to the new era and obliged to accept the fin de siècle regime we are reluctant to leave our old moorings, and drop them with a pang of regret and a shade of remorse.

Carson, like Marc Antony, a "plain and blunt man" possesses in an unusual degree the inherent qualities of leadership which stamped, ineffaceably his personality upon the history of 25 years ago, and enables him to hold and maintain his position until the present time.

He is by nature a man of the people of unquestioned courage, loyal to his people whose grievances and wrongs are his own, a friend upon whom you can safely lean, a fearless champion of his people's rights and a gallant defender of their interests.

Small wonder then, when the votes were called upon to manifest their preference they should chose Carson as between Bailey who was credited with having money, but who has considerably less now, Holland of whom the rank and file, the votes if you please, know nothing only what he has condescended to tell them during the recent campaign, and Key that prince of good fellows whom the boys all know only to love, but who in an unguarded moment allowed himself to be led like a lamb to the slaughter.

And again the Col. opponents sought to make capital out of reputed illiteracy, but General Clark's letter assuring him a welcome from a thousand delegates in the convention in whatever capacity he appeared, and the Post's editorial under the caption of "Stand by for Perry Carson" effectually dissipated the uncalled for allegation.

Gleeson whose friends are legion in this city stood by him with unwavering loyalty and the veterans who are familiar figures wherever republicans assemble will again represent the District.

## THE BOYS.

When it became apparent that an early and aggressive campaign was about to be instituted by the new and hitherto unheard of aspirants for delegatorial honors, the "boys" of years ago, the hoary-headed and experienced vets of halcyon days began to look about them in quest of the "dollar of the daddies." The question of principle, of loyalty and disinterested friendship was lost sight of.

They wanted a nice fresh bird to pluck and truth to say there were several of them lying around who were plucked decently, if not in good order.

Promises of loyalty and unwavering devotion were as plentiful as the "leaves of Vallambrosa," and were ignored and forgotten with surprising facility.

Carson alone among the candidates can say in perfect truth that he is no poorer than when the fight began; his adherents were loyal to him from motives of admiration and friendship, all they wanted and all they got was an occasional "booze" to enable them to "Baher Carson with greater zest and increased ardor.

The Philadelphia House, Carson's headquarters were besieged from early morn till late at night, it was like a beleaguered city with no hope of an escape from the inevitable; from bar to wall the motley crowd awaited the advent of some angel who would "put them about."

They were frequently doomed to disappointment, and at closing time would turn their weary footsteps homeward with a desire for "booze" that never came, troubling their abdominal regions.

But sometimes they were fortunate, and your humble servant was ordered with a gusto born of an unsatisfied, and unquenchable thirst to "set em up."

On one occasion a white man of bulky proportions and a fair sized roll and a larger "jag" strolled in and announced himself a Brooks man, he was immediately surrounded by the "boys" (who were all Carson men to the last ditch) and informed in all seriousness that he had stumbled upon the right track, for every man in the house was an out-and-out Brooks man. The bulky party thereupon opened up his roll, and booze was a drug on the market for an hour, and this poor misguided man supposed that he had captured many votes for the Brooks and Nauk ticket, when on the contrary his roll was considerably depleted and not a man in the party cast a vote for his candidates.

Oh, well he was a victim of the popular fallacy that any negro can be bought for whiskey.

THE NEWSIEST AND BEST JOURNAL  
PUBLISHED.

The Washington Bee is no doubt the  
newsiest and best journal published  
by an Afro-American in this country.  
The Bee contains more news than  
any two weeklies published anywhere  
in the United States.

Here is what our exchanges say:

THE BEE HIVE DUMPED.

[From the American Star.]

Washington newspaper publishers  
are getting up in the world. Friend  
Cooper has removed the Colored  
American's old hat and put on a regu-  
lar "Dunlap" headgear, while Broth-  
er Chase politely dumped the "old  
hive" and procured a brand new hive  
with artistic cells, and of course the  
Bee is humming. Both papers are  
beautiful. We like to see it, if we can't.

"BETTER LATE THAN NEVER."

[From the Texas Freeman.]

We are just a trifle late in saying so,  
but the Washington Bee has made me-  
chanical changes that improve its ap-  
pearance and reflect credit on the man-  
agement.

E. E. GIBSON,

PHARMACIST,

The Second Baptist Church Lyceum was addressed last Sunday afternoon by Mrs. Rosetta Lawson.

There was a small attendance at the Bethel Literary on last Tuesday evening.

The Shiloh Baptist Lyceum was crowded as usual on last Sabbath afternoon, with a most fashionable and classic audience.

Lawyer T. L. Jones, the presiding officer, was on hand and in his accustomed and dignified style, presided over that vast assembly of people. The subject of the paper that was read was, "Is the present jury system a benefit to the people?"

Lawyer Jones in vigorous language condemned the present jury system, not only in this country, but in the District of Columbia and declared that a majority of colored men, who serve on juries are cowards and are generally influenced by white jurors.

Mr. Chase took the same position as did Mr. Jones and thought there should not only be a change in our jury system, but in some of the judges.

Mr. Fossett took exceptions to Mr. Jones and said that no man should tell a people, if they serve on a jury, not to convict a man if he is guilty.

Do as your conscience dictates, said Mr. Fossett, and not as some people would mislead you.

Lawyer Jones retorted in vigorous and piercing language and told his people that some men were too ignorant and selfish and too cowardly to tell what is really true. There is too much discrimination in the jury-box, and I know said Mr. Jones, that some negroes "ho serve on the jury should not be there as a verdict is generally reached by them before they try a case. I know, said Mr. Jones, from personal contact with some of them, a d I propose, said he, to watch in the future the verdict of our negro jurors.

The music under the direction of Prof. Simmons was well rendered. The exercises to-morrow will be interesting.

The Metropolitan A. M. E. Church on M street, n. w., between 15th and 16th streets, will be the scene of a society function such as its walls have never before enclosed, despite the many distinguished audiences that time and again have assembled there.

For the first time in its history, it will be graced by the presence of "the first Lady of the Land," the wife of a President of the United States. On the 14th inst., Friday next, (St. Valentine's day), there will be held there a concert participated in by some of the best of our local talent, for the benefit of that noble charity, the Home for the Friendless Girls, on Erie street, Meridian Hill. Mrs. Cleveland has taken so deep an interest in its welfare, that she has positively promised to attend the concert to be held in its interest, and as "Faith without works is dead," has engaged to take fifty reserved seat tickets for herself and friends. It goes without saying that the performers on this occasion will face such an audience as never before has been seen within the doors of this great edifice.

The list of performers will be found in our advertising columns. The management has wisely had an eye to the prevailing hard times and left the general admission down to the usual price of 25 cents, with reserved seats 50 cents. The object of the concert, the presence of the President's wife and the magnificent array of talent secured makes it a foregone conclusion, that this will be "The event of the season."

#### THE BETHEL LITERARY.

AN EXCITING TIME.—MR. GEORGE C. SMITH CREATES A SENSATION.

The Bethel Literary and Historical Association met on last Tuesday evening as usual.

Mr. Clark was in the chair and introduced Mr. Lewis H. Douglass, who read a paper entitled "Have we a cause?"

Upon the platform were seated Hon. B. K. Bruce and the "marked" Congress.

The moment the marked Congress was invited to a seat upon the platform beside Mr. Bruce, he immediately moved to the other side.

Dr. C. B. Purvis, in his usual philosophical manner, discussed the paper among other things said, that he intended to read the Post, and what more can we expect from a white paper when we take characterless men and give them preferment pointing to the "marked" Congress. The applause at this remark was deafening.

The paper was discussed by Messrs. Janifer, Joiner, Hilyer, and Mr. George C. Smith, who stated that he desired to rise to a question of privilege.

The chair recognized Mr. Smith, who said, in a very calm and deliberate manner that he wanted to make an apology to the house.

At this juncture there were from four to five on their feet calling points of order.

The chair stated that Mr. Smith had been allowed five minutes by the house and as he had not said anything there was no point of order to entertain.

Mr. Smith resuming his remarks again said, among other things, that about two years ago he had introduced a man to this association and the people of this community which he regret to say is without character or reputation and a man this association informed in writing, that his presence would be objectionable. I regret, said Mr. Smith, that I imposed such a character upon the association.

The people were very much excited and for a moment no one knew what would happen.

The program comprised papers on various topics, select readings and the singing of solos, and many of the members participated.

The fourth quarterly conference of the church for the election of the members of the various boards of the church, to serve for the ensuing year, will be held at the church Wednesday of next week.

#### NOTICE! NOTICE! NOTICE!

The meeting of the Baptist Sunday Schools will be held at the Mount Carmel Church, corner of Fourth and L streets, n. w., the Second Sunday in February at 3 o'clock.

Rev. William Credit will address the meeting. All are welcome.

J. A. HAMILTON, Pres't.

W. WISE JACKSON, Sec.

Miss Mary Woodson is sick at home, Miss Mary Hall wrote a fine reply to the Post.

Miss Mattie Bowen is one of the best known teachers in the public schools.

Miss Emma F. G. Merritt, principal of the Garnett School is said to be one of the most successful principals in the public schools.

The Board of School Trustees of the Public Schools have submitted their annual report to the Commissioners of the District of Columbia.

The reports of Superintendents Cook and Powell are very concise and instructive, showing the condition of our schools in all branches.

There is some talk of appointing a female supervising principal.

There should be a female supervising principal over the lower grades.

There is decided opposition to the appointment of Mrs. Smith over the Normal School graduates.

#### OUR SOUVENIR EDITION.

WHAT IS SAID OF IT.

(From the Wilmington Sentinel.)

The souvenir edition of the Washington, D. C., BEE of Jan. 25th reached the high water mark of Afro-American journalism. Editor W. Calvin Chase has our congratulations. He is not satisfied with a weekly but wants to make The BEE a daily.

(From the American Baptist.)

The BEE, of Washington City, celebrated its 15th birthday last week by issuing a souvenir edition of twelve pages. Bro. Chase is a journalist of great courage and indomitable will, and when he doesn't see a way he makes one. Accept our congratulations.

(From the Peoples Recorder.)

The Washington BEE comes to us this week with its handsome, souvenir edition. Brother Chase will please accept our congratulations for the excellent manner in which it was gotten up.

(From the Evening Star.)

The souvenir number of the Washington BEE, just issued in commemoration of its fifteenth anniversary, is a handsomely illustrated publication, creditable to the enterprise and energy of W. Calvin Chase, its editor.

Beginning April First The BEE will be published simultaneously in this city and St. Louis, Mo., with a fine souvenir number of the great republican convention.

We shall establish a branch office in St. Louis.

This will only continue from April 1st until after the adjournment of the convention.

We tender our thanks to Superintendent George F. T. Cook for a copy of the report of the Board of Trustees of Public Schools of the District of Columbia. The reports of both superintendents are well presented.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars.

#### MEXICAN MUSTANG LINIMENT

Mashes fingers and strains back handling heavy trunks. Wants all his friends to try

MR. GRAY WASHINGTON.

LYON Manufacturing Co., Brooklyn, N. Y.

Gentlemen:—I was always having Rheumatism until I tried Mexican Mustang Liniment, and it took all the pain away. I think it the best remedy I ever used for such things as bruises and strains. I often mash my fingers and strain my back handling heavy trunks around the hotel, and I always find that Mexican Mustang Liniment will fix me all right again. I rub it in well and continue to use it until the pain has left the afflicted parts. I wish all my friends would give it a trial. I know they will never use anything else. It is a mighty good thing for rheumatism I know from personal use. I always recommend it to all my friends.

I am, yours truly,
